PROFESSIONAL SUMMARY

Motivated engineering student seeking internship opportunities to gain practical exposure and enhance professional skills. A quick learner with a positive attitude, focused on continuous improvement and contributing effectively in a team environment.

SKILLS

- Programming Languages: Python, C
- Tools/Technologies: Generative AI, Prompt Engineering

EDUCATION

Bachelor of Technology in Artificial Intelligence

SR Institute of Management and Technology, Lucknow

2023 – 2027

Intermediate

Anandi Devi SVM Inter College, Sitapur

2021 – 2023

PROJECTS

Daily Ease Website

- Developed a user-friendly website aimed at simplifying daily tasks and improving accessibility.
- Focused on creating a clean interface and smooth user experience.

Face-Based Attendance Monitoring System

- Built an automated attendance system that identifies individuals and records attendance in real time.
- Improved efficiency by reducing manual work and ensuring accurate record keeping.

CERTIFICATIONS

- Generative AI Mastery Workshop – NXT Wave
- Generative AI: Introduction and Applications – IBM

ACHIEVEMENTS

- Organized a prompt writing event on Engineer's Day at college
- Participated in the ISRO and Hack2Skill joint hackathon
- Attended AI Summit 2026

INTERESTS

- Coding
- Prompt Writing
- Exploring Tech Innovations
